

All-Boro Compactor Sales & Services, Inc. is a New York based company with offices in Brooklyn, NY. We are a full service company, able to meet all your compactor needs, from the installation of new equipment to troubleshooting, service and maintenance.

All-Boro has been servicing the New York area since our founding in 1983. Recently we have expanded to the tri-state area with operations in New York, New Jersey and Connecticut.

Non-Compactor Repair Capabilities

At All-Boro, we also specialize in the repair of material handling devices such as Electrical Cranes ranging in size from 1 to 40 tons. We also repair and maintain conveyor belts used in many types of businesses (including supermarkets).
